----	--------------------	---	---	---	---	------------

Heavy snow accumulated between 6 and 10 inches across west central Illinois from Lewistown to Jacksonville. The snow began after midnight on the 2nd, with snow accumulations reaching 6 inches by midday before diminishing to flurries by mid afternoon. Brooklyn, in western Schuyler County, reported 9.9 inches of snow. Heavy snow also accumulated over Vermilion County in east central Illinois with 6.5 inches reported at Bismarck, north of Danville. There was only minor blowing and drifting of the snow with this winter storm. No injuries or deaths were reported with this storm.
